FREE metal drop off for Anchorage residents! Metal Recycling has many benefits;

Extends the life of the landfill . Avoid lines & fees at the landfill. Good for the environment.

We **PAY** for non-ferrous metal (non magnetic), such as copper, brass, lead, aluminum and stainless steel at current market prices.

Alaska Scrap & Recycling provides an easy and **FREE** alternative to throwing away unwanted **METAL** items including:

*Bicycles *Lamps *Plumbing Hardware & Fixtures *Metal Fencing *Car Parts *Lawn Mowers *Grills

*Vehicles are accepted M-F only (Fees may apply). Please see our website at www.alaskascrap.com for additional information.

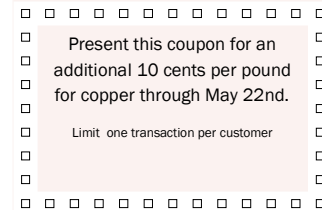

*Appliances (Refrigerators & Freezers are charged a fee to remove CFC's (freon). CFC removal fee is waived with a certificate of removal by a certified company.

We accept CASH only for fees (when applicable)
